

HOA Meeting Minutes July 20, 2020

Attendance

: Joel Taylor, Jeff Wilkins, Marissa Payne, Christine Rose, Desirae Hazelwood, and Erik.

7:12 p.m.: Meeting called to order

- Flag Salute
- Minutes from June meeting were read and approved.
- Treasurer's report for June 2020 was read and approved. A board member needs to go to our current bank to solidify the balance transfer to our new bank. Joel is going to check with the bank.

Old business

- Our new Facebook page: Christine went and signed up to be a member. Not a lot of activity has taken place on the page yet. Joel is going to turn the page "on". When this happens, an invitation will be sent to any person who has "liked" the page.
- We are going to have to cancel the Party in the Park due to the group member limitations in place by the Governor.

New Business

- There are a few places that have become "pick up spots" in our neighborhood. They are becoming eye sores. Joel proposed taking the stuff to the dump and then only sending out a note to request residents not to put out junk if it continues to happen. Jeff will take these things to the dump for us. Thanks, Jeff!
- Christine had a neighborhood comment how nice our neighborhood is looking. He suggested taking pictures and posting them to our Facebook group page. We will discuss this further.
- We are going to skip August and September meetings. If something comes up, we will have an emergency meeting.
- Christine will host the next meeting on her Zoom account again.

7:34 p.m.: Meeting adjourned.

Next Meeting: October 19, 2020 at 7:00 p.m. (zoom conference call)
