- Treasurer's reports for June, July and August 2022 was read and approved.

General Discussion

- **Park Improvement Committee**
 - Final payment was made for the park equipment in August
 - Our account balance at end of August was \$14,603 (after park equipment paid off)
 - Joel and Brad met with Doug from NW Playground and requested bid for basketball hoop
 - Bid for equipment, freight and shipping and installation of hoop was \$6,153 for one hoop, 2 hoops pushes the bid over \$11,000
 - There is an area in the back of the park (near back entrance) that we also want to get cleared out as people tend to congregate there
 - It has more bushes and trees
 - Discussion around doing as a work party or getting a separate bid to do it, either from Buckley Landscape or a company who has done clearing work in the past for us after a storm
 - With the bid for the basketball hoop being quite high, there was discussion around doing the clearing project first and circling back to basketball hoop later

7:33 p.m.: Meeting adjourned.

Next Meeting: Monday, October 17th, 2022 at 7pm on Zoom
